

SAN JUAN BAUTISTA CHAMBER OF COMMERCE

January 6, 2010

Dear Members and Prospective Members,

The San Juan Bautista Chamber of Commerce would like to take this opportunity to thank all of our past Sponsors and Members for their continued support. Without your loyalty this Chamber could not exist. To all prospective new members we thank you for your consideration and we hope you will choose to become a part of our organization.

This year, 2010 promises to bring forth many new and exciting changes for the San Juan Bautista Chamber. With more than half of the Board Director seats available there is much opportunity for a new direction and a greater focus on all of the fabulous things San Juan has to offer from our Agricultural Industry, Historic Parks, Fishing, Camping and Golfing Facilities, the Historic Downtown District along with the many special events that attract so many people to our City of History.

On January 20, 2010 we will be holding our semi-annual General Membership Meeting to elect new Board Officers and Directors. We will also discuss future plans and ideas for the Chamber. Please make every effort to be in attendance so we can start the year off right with a collaborative and strong voice. This is your organization and it's so important to the future of this organization that you all become an active part of it.
